

## Taylor Made Science Tuition Payment Policies

Tuition payments for Taylor Made Science classes are due on the following dates:

### First Semester

June 1 (or upon registration if after June 1)  
September 1  
October 1  
November 1

### Second Semester

January 1  
February 1  
March 1  
April 1

A late fee of \$10 will be assessed after the 10<sup>th</sup> of the month in which tuition is due, no exceptions. If your check has not been received by the 10<sup>th</sup> of the month, please add an additional \$10 to the regular tuition amount. PayPal buttons will reflect the additional \$10 after the deadline.

There is a small discount applied for paying the entire semester at one time. That semester payment must be received ***before the due date of the first installment for that semester***. The discount will not apply if the semester payment is made after that time. The cost will then be \$5 more, the full cost of paying the individual installments for the month. Late fees apply when paying after the 10<sup>th</sup> of the month.

When you fill out the Taylor Made Science registration form you will be asked to check a box stating that you have read and agree to follow this Tuition Payment Agreement. Basically, you are agreeing to make tuition payments on time, and you are agreeing to also pay late fees if the deadlines are not met. These are the same policies that have been in place for years at REACH, but if you have questions or concerns, please feel free to contact Cheryl Taylor.
